

Remarks

Pending United States Patent Application Serial No. 10/103,087 was made the subject of a Restriction Requirement in the office action dated May 20, 2003.

Applicants had elected Group I of the '087 application, claims 1-31, 51 and 52, for prosecution and canceled all non-elected claims without prejudice to the presentation of same in divisional applications. Upon entry of the Preliminary Amendment, claims 41 and 42, those included in Group III of the original Restriction Requirement, are pending in this application.

Applicants respectfully submit that claims 41 and 42 are patentable and earnestly request a notice of allowance to that affect.

Respectfully submitted,

William K. Wissing
